## EXPERIENCE

---

**Teaching Assistant, Basic Electronics Lab**, LNMIIT Aug. 2024 – Dec. 2024  
Jaipur, India

- Guided 50+ students through hands-on experiments in analog and digital circuits, semiconductor devices, and measurement techniques.

## PROJECTS

---

**Heart Attack Prediction.** Implemented ML models (Random Forest, XGBoost, Gradient Boosting) with preprocessing, normalization, and achieved 99% accuracy. ([GitHub Link](#))

**Netflix Data Analysis.** Performed exploratory analysis of Netflix data: genres, IMDb ratings, runtime, and outlier detection using visualizations. ([GitHub Link](#))

**Flat Price Predictor.** Prediction of Flat Prices in Bangalore with data preprocessing, feature engineering, Linear Regression, and achieved over 84% accuracy. ([GitHub Link](#))

## EXTRA-CURRICULAR ACTIVITIES

---

- Head, Desportivos Fest (2023–Present) – Leading a 20-member team, managing events for 2 years.
- Member, Drama Club (LNMIIT) – Actively performed and represented college in cultural events.
